FOR IMMEDIATE RELEASE: January 23, 2012

KINGS HIGHWAY CLOSED FOR BRIDGE REPAIRS

(SALEM, NJ) – Benjamin H. Laury, Deputy Freeholder Director and Chairman of the Public Works Committee, today announced that parts of Kings Highway will be closed for bridge repairs beginning January 24, 2012 through February 3, 2012.

Kings Highway will be closed in Sharptown at County Home Road to Black Road. The detour will be County Home to Route 45 to Haines Neck Road to Kings Highway.

“Our Public Works and Engineering Departments continue to make progress across the county repairing the extensive damage caused by Hurricane Irene,” said Freeholder Laury. “We appreciate the hard work of our dedicated crews and contractors.”

This project was originally scheduled for December but was postponed to assist businesses along that road.

Should anyone have any questions or concerns please contact the Salem County Engineering Department at (856) 935-7510 Ext. 8549.
